JUDGMENT

On September 13, 2019, the Court issued an Order (d.e. 8) directing plaintiff to amend his complaint to, *inter alia*, “identify the basis for either diversity jurisdiction or subject-matter jurisdiction. Specifically, the Complaint must identify the citizenship for all parties to establish diversity citizenship, or, [i]n the alternative, identify the specific statute or federal question upon which federal jurisdiction rests.” The Court stated that if such an amendment were not filed by October 18, 2019, the complaint would be dismissed.
